## Popped pleasures

Kettlecorn often tastes cloyingly sweet, but the Popcorn, Indiana brand's four flavors wowed us with perfectly balanced sweet-salty flavors: plain, smoked Cheddar, Summer Picnic BBQ and spicy honey mustard. A 4-ounce bag is \$2-\$3.70 at World Market, Whole Foods Market and some Walgreens. Flavors vary by store but all are sold online at [popcornindiana.com](http://popcornindiana.com).
